## ESCMID European Council

Dear Giorgio

I am pleased to inform you that the ESCMID Executive approved at its last meeting your request on behalf of the Italian Society of Virology to become a member of the ESCMID European Council. We noticed that you as president will serve as its first representative.

The ESCMID European Council convenes once the year during ECCMID for its annual meeting. Currently the Council is undergoing a re-organisation as discussed during this year's meeting in Glasgow (see the minutes in the forthcoming ESCMID News 3-2003). We will keep you informed about these developments.

Yours sincerely

Peter Schoch  
ESCMID Managing Director
